FINANCIAL DEPARTMENT.

To—All Officers authorised to issue credit notes on Mysore Railways for freight and fares payable by Government Departments.

Circular No. 673—*W. A. D. Mis., dated* 27*th April* 1923.

SIR,

I have the honour to invite reference to Circular No. 13173 of 24th February 1923, issued by the Auditor, Mysore Railways, on the subject noted above and to state as follows:—

2. The amount of credit notes issued by the officers of the several departments, will, on receipt in this office, through the Railway Exchange Accounts, be debited to the proper heads of account. An advice of debit so made will be sent to the head of the department concerned accompanied by the credit notes, whenever necessary. The amount advised should be included in the detailed contingent bill of the department in the same manner as work bills. Till it is accounted for in the detailed contingent bill, the amount debited by this office will be held under objection as for want of detailed contingent bills.

3. The procedure prescribed above does not apply to Public Works and Forest Departments. In the case of the Public Works Department necessary intimation with the credit notes will be sent to each Executive Engineer with a request that it may be debited in his accounts to the final heads by credit to "34 Account Current between Civil and Railway Departments, items adjustable by Civil." The Executive Engineers are requested to include them in the accounts of the month in which they are received and return the credit notes to this office in support of the credit in their monthly accounts.

4. In the case of the Forest Department the charges will be debited to "Forest Remittances" in this office and necessary advices sent to District Forest Officers to include them in their next accounts by debit to Final heads and credit to "Forest Remittances."

5. The heads of departments other than the Public Works and Forest Departments are requested to make arrangements for returning the credit notes sent by this office within a week of their receipt. The statement of credit notes issued on Mysore Railways may be continued to be sent as hitherto.

I have the honor to be,
Sir,
Your most obedient servant,

T. SATYARAJ CHETTY,

MISCELLANEOUS DEPARTMENTS.

DEPARTMENT OF AGRICULTURE IN MYSORE.

Circular No. 34, *dated* 14*th May* 1923.

The campaign against the pest known as the Kamblihula having now been carried out in the marginally noted villages year after year for the past 10 years, the Director of Agriculture in Mysore considers that the time has now come when the raiyats of the villages, may be trusted to take to the remedies without departmental initiative or supervision. The Director has therefore decided to transfer the activities of the department to other areas where the pest is now assuming dangerous proportions and where the raiyats have not yet been familiarised with the results of organised campaign on a large scale. The Director trusts that the absence of the Entomological Staff in the marginally noted villages will not make any difference in the thoroughness and extent of the campaign against the pest there. He feels it necessary to warn the raiyats, however, that any neglect to take suitable measures at the right time may lead to the pest becoming serious again and causing considerable loss to their dry crops.
